

# EJ Swanson Rider 2011

First of all, we would like to thank you for inviting EJ Swanson to be part of your event. EJ and his team will pray that this will be a time of effective ministry for your students. We are always hopeful that some will have their first time encounter with The Lord and that others will draw closer to Him.

Please be aware that there is a degree of flexibility in this rider-that it is not written in stone. However, it will serve as a great road map for your event. If followed closely, there should be no surprises. Please do not hesitate to call us with any needs, questions, or concerns.

## **Sound / Video Equipment**

You will need to provide EJ with a wireless earset slimline mic (see picture below) such as a Countryman, Shure or Audiovox. If you are unable to do so, please let us know in a timely fashion. In that instance, EJ will supply his own rented mic -this will be billed back to you

EJ will have an Apple, Macbook with him. A VGA connection to your projector will be necessary-EJ will provide all necessary connectors and converters. Please have this set - up and ready to go one hour prior to the event. \*Please note that once the event begins, the computer will not be able to be switched in and out.

## **Stage**

If time is a factor with EJ's presentation, please have a digital clock in clear sight for him- this way he will stay within the time parameter. EJ is dyslexic so digital is necessary. Also, please have two bottles of water and a hand towel in striking distance.

## **Lodging**

Please provide one non smoking room with two double beds at a nearby hotel; such as a Marriot (Marriott brand preferred), Holiday Inn or Hampton Inn. This room will need to be reserved and paid for in advance by the venue or church. It is imperative that the hotel has an imprint of the credit card that is being used, as most hotels will not let entry into the room with out this imprint. Please have the room held under the name **EJ Swanson** and reserved for early check in and late check out. From time to time EJ will travel with his wife or friend, so please no room sharing.

## **Meals**

EJ travels thirty to forty weeks per year. With this being said, eating well and constant hydration is essential to his health. Listed below are his culinary likes and dislikes. It would be greatly appreciated if you would adhere to these suggestions.

### Likes:

- Gatorade, water, diet coke, tea, and regular coffee with cream and sugar.
- Deli tray of unprepared sandwiches (turkey, ham, cheese, bread, Italian or ranch dressing). \*Please allow EJ to prepare his own sandwiches.
- Chicken off the bone such as tender or chicken breast.
- Pasta with red sauce.
- Most other fresh items.

### Dislikes:

- No fast food please.
- No white items such as: mayo, cottage cheese, mustard, sour cream and pickles.

We hope that this will not be a burden to you and once again, we greatly appreciate you helping us with this. Through experience we know that if your event is held at a retreat or conference center, the food that is served will be fine, for EJ, so in this instance it is not necessary to do any special dietary preparations. Healthy snacks will always be appreciated. If you have any question, don't hesitate to call.

In the event that EJ traveled to you by air, please have a vehicle and driver available for the duration of his stay-to be used for errands and trips back and forth from the hotel.

## **Comp list**

For ticketed events please set aside twenty (20) tickets as EJ may invite special guests.

***Once again, thank you for inviting EJ to be part of your event.***

Please sign and return this rider with the contract and please to not forget to enclose the deposit.
